

BIKABLO BASIC TWO DAY TRAINING

BUILD YOUR VISUAL VOCABULARY

WHO BIKABLO Team Members—Jill Greenbaum and Annegret Garschagen

WHAT

- Learn to hold the pen, draw clean lines, and structure space on the chart
- Create graphic elements and text containers, geometric shapes, objects, and symbols
- Use simple and fast options to color elements and spaces to support the graphic structure
- Discover the easy ways the bikablo® method provides to draw people, roles, groups, and situations
- Improve your handwriting—make it more legible and attractive
- Practice using step-by-step techniques to record a dialogue in real-time
- Explore adding emotions, develop a pictogram library, and develop complex visual representations for personal topics
